

INVOCATION TO THE DIRECTIONS

From the East, House of Light
may wisdom dawn in us
so we may see all things in clarity
and remember our universal heritage

From the North, House of Night
may wisdom ripen in us
so we may remember all from within

From the West, House of Transformation
may wisdom be transformed into right action
so we may co-create what is to be done

From the South, House of the Eternal Sun
may our right action reap our ascension
so we may enjoy the fruits of our interplanetary beingness

From above, House of Heaven
may star people and ancestors reveal themselves to us now

From Below, House of our Mother Earth
may the heartbeat of Her crystal core
Bless us with harmonies to end all wars

From the Center, the Cosmic Galactic Source
may everything become the loving light
Of the Great Central Sun
